### Attendees

| Sr. No. | Name   |
|---------|--------|
| 1       | Nandan |
| 2       | Divya  |
| 3       | Avijit |
| 4       | Satyam |
| 5       | Anish  |

### Improvement Suggestions / Action Points

- 1. Bulk registration of ASHAs using CSV upload**
- 2. Support for local language within the application**
- 3. ASHAs dashboard enhancement with High-Risk cases, Today's Priority Tasks, and Monthly Due activities**
- 4. Implementation of vaccination due date calculation logic**
- 5. Profile section for each ASHA and Admin user**
- 6. Performance-based payment calculation for ASHAs**
- 7. Analytics module with reports and export functionality based on filters**
- 8. Email support feature from ASHA to Admin for technical assistance (similar to official website using formSubmit.co)**
